I think my school is in a good place.
My school isn't too big, there are three floors.
But now near our school architects are building new school. It is much bigger than my^{like}.

I start school at 13 o'clock and finish at 19 o'clock. I have 7 lessons every day.

Apart of school I go to English class. I love it a lot but I have bad classmates there.

At school I have 3 friends. They are kind and helpfull.

My favourite subjects are English and Russian. I really like biology and English teachers.
